Dear Sir:

The Department of Health and Physical Education at East Texas State University is in the process of updating and expanding its Health Resources Materials Center. In this endeavor, we are soliciting any free health resource materials that your organization has available (i.e. booklets, pamphlets, curriculum guides, posters, models, charts, price lists, etc.)

The department Health Resources Materials Center is utilized by some 400 undergraduate and graduate health and physical education majors in the completion of their particular degrees and is extremely important to our program.

Thank you for any consideration that you might give to this request.

Sincerely,

Fred Blohm
Professor
Department of Health and
Physical Education
